## Wayshower Theme Instructions

The Wayshower Theme is the only theme that has no amplification control as the shirt is a natural amplifier that harmonizes yourself and your environment eliminating negative, aggressive, and stagnant energy.

When you receive your Wayshower apparel or item:

1 – Wear your apparel first **before** you work with the Healing Codes OR hold your accessory item. As you do this, the Healing Codes can now be commanded by you.

2 – Turn Healing Codes On or Off:

- When wearing your apparel or holding your item, place either your left or right hand upon the symbol of the apparel or item.
- You can turn the Healing Codes within the symbol off or on. Say the following below verbatim (word for word exactly):
  - “Wayshower, turn healing codes off. Apply.”
  - Or, “Wayshower, turn healing codes on. Apply.”
